### **Conversation Topics for Spring**

The LC mentioned making the conversations next year more hands on. We discussed having a Special on veterans in the classroom. Lizz suggested bringing in an educational game for us to play. John mentioned using gameulation, Wii, and embedded librarian. Moira will be having Laurel Gilbert do a Conversation on what Laurel is doing with media in the classroom. This will possibly be on the second Thursday in February. She may also lead a workshop two weeks later, from 4:00 to 6:00. The workshop would consist of using Audacity and Photoshop, each being about an hour long.

The LC also talked about doing a follow up on retention. Moira will e-mail Rob to see if he is interested in doing so.

### **Funding Initiatives**

Ellenmarie will send out a reminder about the availability of funding initiatives via e-mail.
