

NAVIGATING THE INFORMATION UNIVERSE

Your mid semester check-in from the library

Request OhioLINK items by March 11

To address ongoing delivery issues, OhioLINK is changing the courier service it uses to transport materials throughout the state. As you plan for library borrowing for the rest of the semester, please be aware there may be disruptions and delays for materials requested through OhioLINK during the transition.

Please note you will not be able to request materials through OhioLINK from **March 11 through the end of spring term**. OhioLINK is closing requests to avoid creating a backlog during the transition. We recommend you request any items you may need as soon as possible.

[Miami University librarians](#) are available to help you identify alternate materials, formats, and other ways to get materials that don't use the OhioLINK delivery service.

On April 18, OhioLINK will return to working with the company that provided delivery prior to July 2021. However, since we cannot guarantee when OhioLINK will resume accepting requests for materials, we are encouraging Miamians to assume requests will be closed through the end of the spring semester.

We will share updates on these issues as soon as we are able. Thank you for your patience as we navigate this transition together.

For more information about OhioLINK and our delivery changes, check out our [Frequently Asked Questions](#). If you have any questions or concerns, please do not hesitate to get in touch with us.

Interlibrary Loan Services

Worried about a book you can't get through OhioLINK? Interlibrary Loan may be the answer. The Gardner-Harvey Library will attempt to locate items not owned within Miami University or available through OhioLINK libraries using interlibrary loan (ILL). Books, periodical articles, and media items may all be requested. Miami University students, faculty, and staff members may place requests.

To place an ILL request, please login to the online request form page. Then select the form that best fits the type of item you are requesting.

Interlibrary loan questions should be completed using our online form at <http://ill.lib.miamioh.edu/illiad/logon.html>
