NAVIGATING THE INFORMATION UNIVERSE

Library Staff are Here to Help

Supporting students, faculty, and staff both on campus and online is a constant goal for the Regional libraries. The libraries are still available to provide a variety of remote services.

If you currently have items checked out, do not worry about returning them until we are open again. We will not be charging fines or late fees.

Contact library staff via phone, text, email, or chat to discuss your needs or ask questions.

April Book Discussion

The MUM Book Discussion group will next meet on Tuesday, April 28th to discuss the book (s) we've each been reading lately. We normally discuss a single book, but given our distributed nature and the lack of easy access to multiple library copies of books, we thought we'd have an open discussion for people to share whatever they've been reading between now and the time of the meeting.

We look forward to the new things you'll bring to the table.

We will meet at 12 pm on the 28th in Google Meet at

<https://meet.google.com/qkh-anzd-raz>

You can also join in by calling +1 669-238-0098 PIN: 879 690 274#

We experimented with this method at our meeting on March 31st, and it worked well. So, please come along to our discussion to share what you've been reading/watching/listening to/experiencing, and help us plan our future readings.

[Check out our Faculty Services LibGuide for more information about what the libraries can do for you.](#)
