What Equipment do you need to Succeed?

We want to know what equipment both instructors and students use in class, as well as what they would like to borrow from the library. Our Library Equipment Survey looks to help us improve what we currently offer and what we can add to help faculty, staff, and students succeed in their courses. If you have a minute we would love to get your feedback with our three question survey at:

Experience Virtual Reality with our Oculus Quest!

Want to give VR a try? Our Oculus Quest is ready for use in Room 112 of the Gardner-Harvey Library! Stop at the library InfoDesk for the key.
